The Board with the approval of the Government orders that with effect from 2.7.1950 the scale and composition of the rations to cardholders in all the statutorily and informally rationed areas shall be as follows:—

(i) Rice eaters.	7 oz. rice, wheat, millets and/or semolina PLUS 2 oz. semolina, PLUS 3 oz. wheat, semolina and/or millets, according to availability;
(ii) Mixed-diet eaters:	4 oz. rice, wheat, millets and/or semolina, PLUS 2 oz. semolina, PLUS 6 oz. wheat, semolina and/or millets according to availability
(iii) Millet eaters	2 oz. rice, wheat, millets and/or semolina, PLUS 2 oz. semolina, PLUS 6 oz. wheat, semolina and/or millets according to availability.

NOTE: (1) Total rations not to exceed 12 oz. of cereals per adult per day or 12 oz. of baker's bread plus 2 oz. of semolina.

(2) Baker's bread may be issued to all cardholders towards their rice and non-rice portion except towards the 2 oz. extra semolina portion;

(3) The taking of any cereal is not compulsory

2. The scale and composition of ration allowed to the cardholders shall apply equally to institutions, and residential establishments as defined in clause 2 (4) (d) (ii) and (iii) of the Madras Rationing Order, 1947, in all statutorily and informally rationed areas.

3. In case of meals hotels, registered lodging houses etc., the scale and composition of the ration shall be as follows:

Rice-3½ oz.
Semolina- 1 oz. } per meal.
Wheat- 1½ oz.

Semolina should be issued compulsorily.

4. All Collectors in the case of rural areas and all Rationing Officers in the case of statutory areas are requested to see particularly that all ration shops are stocked with sufficient quantities of wheat and semolina by making necessary transfers of stocks from one area to another and that cardholders are not made to forego

their ~~non~~ non-rice portion of the ration due to the non-availability of wheat and/or semolina. In spite of repeated instructions issued, instances of non-availability of wheat in ration shops in the City have come to the notice of the Board. The City Rationing Officer, Madras is particularly requested to see that such defects do not recur.

5. The above instructions do not however affect the discretion allowed to the Collectors in Board's Ref.No.78722.K.1 50.1 dated 10.6.50 to reduce the rice content of the rations in rural areas from 8 oz. to 7 or 6 oz. (now from 7 oz. to 6 oz.) according to the stock position.
